

MO news is good news.....message from the Artistic Director

Dear Fans and Donors of Musical Offerings,

MO is one of the most established and enduring chamber music organizations in San Antonio. After 25 years, what stands out in my mind is how much I've enjoyed the collaborations, and the appreciation I have for the audience members, musicians, volunteers, board members and venue staff I've met through these chamber concerts.

I want to thank all the above people for working with me to bring great concerts to the people of San Antonio. It's all about the relationships!!

We invite you to familiarize yourself with Musical Offerings, to attend our concerts and to share in the experience of our versatile programming and creative collaborations. With your help, we can continue the defining legacy of Musical Offerings.

We have been fans of Musical Offerings for two decades. The programming brings us back each year for several reasons. We're amazed at the variety, which is not limited to just jazz and classical. This season included: tango and ballet; sopranos and baritones, performances at three major museums, an institute, and a cultural center - all proving that Musical Offerings never sits still. There's always something new and innovative!

At the same time we love to hear our old favorites return each year - with a new vision. We would feel slighted without a night of Piazzolla's tangos, an evening of *Jazz Meets Classical*, or an afternoon of truly classical chamber music played by San Antonio's best. Yes, we like the brand new and the tried-and-true, as Joan Christenson leads Musical Offerings and us into exciting adventures in chamber music each year.
